RESPONSE AND AMENDMENT

Commissioner of Patents and Trademarks  
Washington, D.C. 20231

Dear Examiner:

In response to the Official Action mailed December 4, 2002, please consider the following amendments and remarks:

In the claims:

Please cancel claim 8. Please amend claims 7, 9, 13, and 15.

1. (Original) A method for interfacing a directory to an application in a computing system, the method comprising the steps of:

providing a transformation profile for defining a predetermined format for use by the application;

detecting an event in the directory;

transforming the event to the predetermined format by using a transformation tool and the transformation profile; and

providing the transformed event to the application;

whereby the application becomes aware of the event by having the event provided to the application in a transformed state.

2. (Original) The method of claim 1 further comprising the step of:

converting the event to a generic data description before transforming the event.
